## Welcome to Family Dental Care

Family Dental Care are a group of dentists who, along with our registered dental nurses, aim to provide you and your family with sympathetic care, using the most up to date methods available.

We take pride in the quality of service we offer and want to make your visit a comfortable one.

## Services

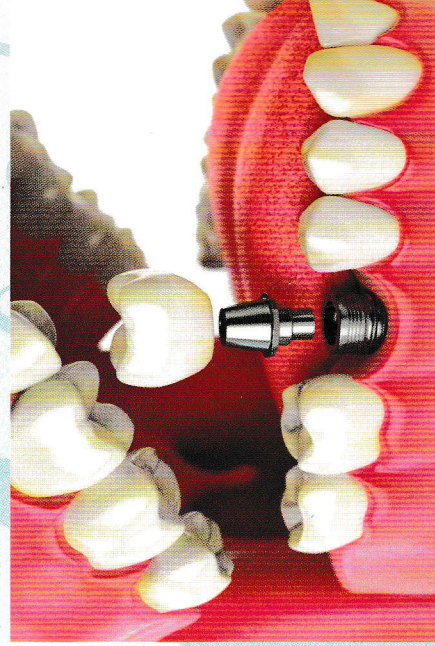

We provide a full range of NHS and private dental treatments.

These include:

- Fluoride applications and fissure sealants for children
- Teeth straightening techniques
- Crowns
- Bridges
- Veneers
- White/tooth coloured fillings
- Teeth whitening
- Facial Aesthetics
  - Anti wrinkle treatments
  - Facial fillers
  - Lip treatments

- Implants

*Don't let missing teeth limit your quality of life, ask us about dental implants.*

## Costs

A printed estimate detailing treatment costs will be provided to you after your first appointment.

Payment can be made using cash, debit or credit card. We will request payment in advance of any treatment.

Free? please ask reception if you think you are exempt from charges.

## Emergency Care

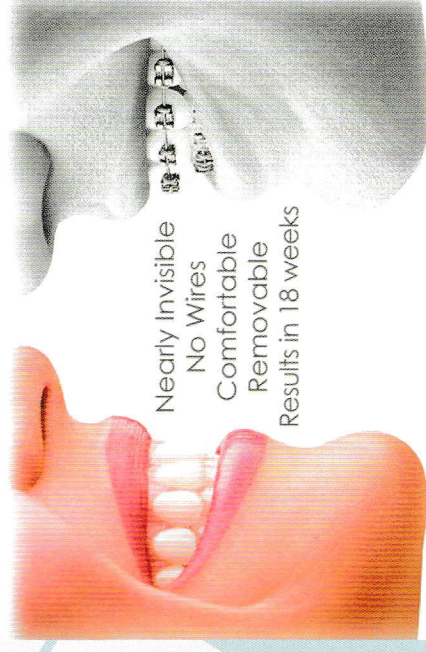

If you are a registered patient and have a dental emergency please call 01875 81136 first thing in the morning and you will be seen within 24 hours.

## Orthodontics

We provide on site specialist orthodontic care for our patients. This means not having to travel distances for your teeth straightening treatments.
